

LatinDisplay 2014

S&T Symposium		S&T Symposium		S&T Symposium		DisplayEscola	
November, 10th		November, 11th		November, 12th		November, 12th	
09h00 09h30	Registration	09h00 10h15	“AMOLED Display Technology” Gopalan Rajeswaran Grantwood Technologies, USA	09h00 10h30	Contributed Papers	"AMLCD technology and enhancement for harsh environment" Adi Abileah Adi Display Consulting	
09h30 10h30	Opening Session						
10h30 11h00	Networking Coffee	10h30 10h45	Networking Coffee	10h30 10h45	Coffee		
11h00 12h00	"Are we there yet? Evolving displays to meet human needs" Bob Raikes Meko, UK	10h45 11h45	“Trends in lighting” Daniel den Engelsen ABINFO, The Netherlands	10h45 12h45	Contributed Papers	"OLED lighting" Munisamy Anandan Organic Lighting Technologies, USA	
12h00 12h30	"Silver-nanowires and competing technologies: introduction, applications and market trends" Sriram Peruvemba Cambrios, USA	11h45 12h10	“Infrastructure and equipment for solar cell manufacturing” Paul Breddels RIMAS B.V., The Netherlands				
		12h10 12h30	“LEDs on Foil and the creation of novel flexible devices” Paul Breddels Holst Center, The Netherlands				
12h30 14h00	Lunch Break	Lunch Break		12h45 14h00	Lunch Break		
14h00 15h00	“Displays for automotive, avionics, military and medical applications” Adi Abileah Adi Display Consulting, USA	“Advances in LED technology for low cost and high energy efficient lighting” Munisamy Anandan Organic Lighting Technologies, USA		14h00 16h00		"Fundamentals of solar cells and status of photovoltaic power generation" Gopalan Rajeswaran Grantwood Technologies, USA	
15h00 16h00	"Graphene and applications" Antonio Hélio Castro Neto UNS, Singapore	“Touch panel and touchless control - New opportunities in 2015 and beyond” Jennifer Colegrove Touch Display Research, USA					
16h00 16h30	Networking Coffee	Networking Coffee		16h00 16h15			
16h30 18h30	Round Table “Opportunities for display industry in Brazil” Chairman Maria Luisa Leal ABDI, Brazil	16h30 17h00	“How many pixels are enough?” Kenneth I. Werner presented by Bob Raikes Nutmeg Consultants, USA	16h15 17h45	"Transparent and conductive thin films" Sriram Peruvemba Cambrios, USA		
		17h00 18h00	"LEDs and quantum dots" Daniel den Engelsen ABINFO, The Netherlands				
		18h00 18h30	Closing Session Luciano Coutinho BNDES President
